YSGOL PEN BARRAS ESTYN INSPECTION REPORT- February 2026

Message from Mr Huw Hilditch-Roberts- Chair of the Governing Body,

Ysgol Pen Barras

On behalf of the Governing Body of Ysgol Pen Barras, I am pleased to share with you the school's recent ESTYN inspection report, carried out in February this year.

As a governing body and as a school community, we are extremely proud of the report. It contains findings that celebrate and acknowledge the school's achievements, while also offering recommendations on how we can continue to develop as a school for the future.

As Chair, I would like to congratulate the entire staff team. We already know how passionate and dedicated our staff are, and it is very pleasing to receive a report that reflects this so clearly.

I would also like to thank the pupils and parents of Ysgol Pen Barras. The report highlights the results of close collaboration and a strong sense of belonging between Ysgol Pen Barras and the local community — qualities that have been evident to us as a governing body for many years.

The opening line of the report summarises this particularly well:

“The school's dedicated leaders and staff provide pupils with a Welsh and inclusive learning environment, embracing the vision ‘Gweithiwn â gwên yn sŵn y Gymraeg’ successfully.

The report is one that the school community and wider community of Ruthin can be proud of. Many thanks to everyone for your support to us as a school.
