Please remember to label your child / children's school clothes. Any lost property that is not labelled will be placed in the foyer.

## Children Walking Home

Some families of children in the upper years of the school (Years 5 and 6) often request to allow their children to walk home after school. It is important that we receive written permission from parents for this. A Google permission has been sent out to the Under 12 Unit this week. Please remember to complete it.

A timetable will be sent to parents very soon outlining the extracurricular clubs for this half term. The clubs will start the week beginning September 15<sup>th</sup>, 2025.

## Supporting the Co-Op Campaign to Reduce Food Waste

We intend to continue with the food waste reduction scheme/initiative which was rolled out last year. Food packages will be available in front of the main reception on Monday mornings from 8.15am onwards. We encourage everyone to help themselves to the packages – helping to reduce food waste from supermarkets. Thanks for your support.
